MESSAGE:

Attached please find a list of discrepancies on our January, 2002 USPTO Deposit Account Statement, please investigate the following charges and credit any refunds to our deposit account. We believe that in some of the cases, due to the delay in the mail, examiners have called our office looking for responses, which we mailed, but they had not received, therefore, the examiners requested a facsimile of same, then when the original was received, the account was charged an additional time.

Thank you for your attention to this matter.
